AGENDA ITEM # 8

PUBLIC HEARING: FY 2009-10 BUDGET FOR STA ADMINISTRATION

Action Requested: Adopt STA Budget.

Key Staff: Mona Stephens, Senior Transportation Administrator

Recommendation

Open public hearing, and take testimony on the draft FY 2009-10 STA budget. Close hearing and adopt budget.

Discussion

This year's budget is a little different than the prior years' budgets because **New Measure A** takes effect. You will note the following differences:

- The bonded funds are now included in the STA/Administration section rather than being separated, as they were in previous budgets.

- STA Administration costs are higher due to higher estimated auditing costs, the addition of the Taxpayer Oversight Committee, and the cost of consultants to assist with the new Plan of Finance and debt issue. There are no increases for staff salaries or benefits and there is a reduction in travel appropriations.

- Bond issue costs are estimated to be significantly higher in the 2009-2010 year than in the 2007-08 year because of the new requirement for a letter of credit. This new cost increased our debt issue costs by almost \$4 million.

- The comparisons to prior years' Contributions to Other Entities is included, but is separated from the New Measure A contributions because of the difference in the two measures.

There are no significant differences in the Freeway Service Patrol or Sacramento Abandoned Vehicle Services Authority budgets.

To adopt the budget, you are being asked to pass two resolutions. The first resolution is the salary resolution for the 2009-10 fiscal year. The second resolution is for the budget document. Adoption of the salary resolution and budget document provides appropriation authority for the 2009-10 fiscal year.
